Never Run Out of Power Again

WELCOME TO THE WORLD OF MAXELON

Originated with the idea of maximality, Maxelon was born tounleash the maximum capability of everything we put our heart to. We aim to build products that deliver maximum results,ensuring 100% customer satisfaction.
Born out as an offspring of a 20 year old legacy brand, Raj- a renowned name in the LCD market. Maxelon retains Raj's commitment along with a vision to excel in the mobile accessories market, delivering products and experiences chalenging industry standards. With our presence across India and a passionate team to set new industry benchmarks, we are here to give you the MAX.

OUR MISSION

Maxelon’s mission is to expand its product and service offerings and serve a larger customer base. we are based in Mumbai. Our goal is to provide high-quality products at affordable prices.

OUR VISION

Maxelon’s vision for the future is to be the best Made in India brand, use the best and most advanced technology, focus onbecoming a global brand, and design and deliver great products for the next generation.
